8:00 PM- 11:00 PM	Casino Night in the Garden Terrace	

WHO WE ARE

Alma's cloud-based platform is transforming education by fostering both intellectual and emotional growth. With futureready tools and data-driven insights, Alma empowers educators to seamlessly integrate traditional and progressive teaching methods. By minimizing administrative burdens, Alma ensures that staff can focus on what truly matters—meaningful student interactions. Alma's modern approach paves the way for long-term success, propelling educational communities toward impactful outcomes.

Debbie Crum

Regional Sales Director

🞽 debbie.crum@getalma.com

V 724-679-9867

www.getalma.com

ALMA & PIMS

- Alma offers a dedicated team that works closely with State Departments of Education (SDE) to ensure seamless updates and integration of reporting changes.
- PIMS reporting templates are conveniently accessible within the Alma SIS, complete with submission deadlines to keep you on track.
- The Spreadsheet Data Editor enables users to update multiple students' reporting fields in one view, improving efficiency and accuracy.
- With the Filter View, users can easily pinpoint all required fields for report submissions, simplifying the process.
- Alma will soon incorporate PIMS data validation, enhancing report accuracy and significantly reducing the time spent on revisions.

Thursday Sessions-November 7, 2024

Session		Speaker	Location
8:00 AM-	Registration and Light Continental Breakfast in t	he Fountain Lobby	
8:30 AM			
8:30 AM- 9:00 AM	Business Meeting and Election Speeches in the G	arden Terrace	
9:10 AM-	Breakout Sessions		
10:00 AM
